Applications for enrolment into the first year for the academic year 2016/17 could be submitted from 18 July to 29 August 2016.

Closing date for applications is 29 August 2016 (15.00 CET).

Preliminary rank list of enrolled candidates will be announced latest by Thursday, 1 September 2016 on the web site www.mf.unsa.ba.

Candidates who wish to file a complaint regarding the rank list can do so by Monday, 5 September 2016.

All complaints should be submitted to the Faculty Protocol Office. Appeal Commission will commence reviewing the rank list on Monday, 5 September 2016 at 13,00 CET, when all candidates who appealed, should be present in person.

Final rank list will be announced on Monday, 8 September 2016.

Ranking of candidates will be based on criteria as follows:

1. Secondary/high school achievement (overall average over the all four years of the secondary/high school education)
2. Achievements in following subjects (subjects relevant for the study programme): Biology, Physics, Chemistry and English language
3. Achievements in secondary/high school competitions (awards, prizes, etc.) in following subjects: Biology, Physics, Chemistry and English language
4. Candidates with overall average grade 5.00, or equivalent award for candidates who finished secondary/high school education abroad,
5. Interview (If the number of eligible candidates exceeds the approved number, individual interviews will be conducted with candidates.)

/1/ scoring of overall secondary school achievement will be calculated according the following formula: the average grade of all subjects for all four years of secondary/high school education is rounded to two decimal places and multiplied by 4.

Maximum points: 20

(Example: 1st year = 4, 2nd year = 3, 3rd year = 5, 4th year, Average achievement = 4,25, $4,25 \times 4 = 17$).

/2/ scoring of achievements in subjects relevant for the study programme (Biology, Physics Chemistry, and English language) will be calculated according the following formula: the average grade in Biology, Physics, Chemistry and English language (throughout the four years of secondary/high school education) is rounded to two decimal places and multiplied by 16.

Maximum points: 80

/3/ scoring of achievements in secondary school competitions (awards, prizes, etc.) in Biology, Physics, Chemistry and English language: students with these prizes will be awarded as follows: for local level competitions (e.g. municipal, city level) 1st place - 2 points, 2nd place - 1 point, 3rd place – 0,5 points;

for cantonal level competitions 1st place - 3 points, 2nd place - 2 points, 3rd place – 1 point;

for entity level competitions 1st place - 4 points, 2nd place - 3 points, 3rd place – 2 points;

for international level competitions 1st place - 5 points, 2nd place - 4 points, 3rd place – 3 points.

For candidates who finished secondary/high school education abroad, the Admission Commission will express scores as points based on which they are ranked in the home country (in the school they have completed).

/4/ scoring of candidates with overall average grade 5.00, or equivalent award for candidates who finished secondary/high school education abroad: students with special prizes will be awarded 5 points.

Important note: Due to summer holiday, in the period from 18 July to 21 August 2016 applications could be submitted only by registered mail, and in the period from 22 August to 29 August 2016 applications could be submitted in person at the Student Affairs Office, or by registered mail.
